WORK EXPERIENCE

FLYING FISH LAB

Strategy consultant supporting regional and multinational clients across business strategy, innovation, transformation and strategic execution.

Consultant | 2023 - 2026

Junior Consultant | 2021 - 2023

Business Development Associate | 2020 - 2021

- Led strategic consulting engagements across industries, using structured problem-solving to develop practical recommendations for senior stakeholders.
- Managed multi-market projects across Singapore, France, India, Indonesia, Mainland China, Hong Kong, Vietnam, the Philippines and the US.
- Conducted market, consumer and competitive analysis to identify business challenges, growth opportunities and strategic priorities.
- Developed strategic reports, executive presentations and recommendations to support client decision-making.
- Managed innovation, strategy and transformation engagements for multinational clients including Unilever, Nestlé, Danone, Kraft Heinz and Hard Rock Cafe.
- Facilitated cross-market stakeholder discussions, aligning teams on priorities, market-specific messaging and recommended actions.
- Conducted competitive wargame research and strategic analysis, identifying risks, opportunities and action plans to support business decisions.
- Developed product and innovation roadmaps, translating research and stakeholder priorities into actionable plans.
- Built and maintained strong client relationships, supporting business development, stakeholder trust and long-term account growth.
- Launched and operationalised Flying Fish Creatives as a new business arm, managing its offering, client development and end-to-end delivery.

UNITED OVERSEAS BANK (UOB)

Intern | Channels & Digitalisation | 2017 - 2018

- Supported UOB's first Facebook Regional Live Hackathon at the Singapore FinTech Festival as part of the bank's digital innovation initiatives.
- Supported digital outreach and engagement initiatives across social media and digital channels.
- Gained early exposure to the intersection of financial services, digitalisation and customer engagement. (Paylah and Paynow)
