WORK EXPERIENCE

FLYING FISH LAB

Strategy consultant supporting regional and multinational clients across innovation, brand strategy, stakeholder alignment, strategic reporting and project delivery.

Consultant | 2023 - Present

Junior Consultant | 2021 - 2023

Business Development Associate | 2020 - 2021

- Led strategic consulting projects across industries, using structured problem-solving to deliver practical recommendations for senior stakeholders.
- Managed multi-market projects across Singapore, France, India, Indonesia, Mainland China, Hong Kong, Vietnam, the Philippines and the US.
- Built and maintained strong client relationships, supporting business development, stakeholder trust and long-term account growth.
- Managed strategy, innovation and transformation projects for multinational clients including Unilever, Nestlé, Danone, Kraft Heinz and Hard Rock Cafe.
- Conducted market, consumer and competitor analysis, translating findings into strategic reports, presentations and decision-making workshops.
- Facilitated cross-market discussions for Protinex and regional clients, aligning stakeholders on priorities, market-specific messaging and recommended actions.
- Conducted competitive wargame research and strategic analysis, identifying risks, opportunities and action plans to support client decision-making.
- Planned and executed stakeholder engagement programmes, workshops and events, coordinating clients, vendors, venues and external partners.
- Developed product and innovation roadmaps for regional clients, translating research and stakeholder priorities into actionable plans.
- Launched and operationalised Flying Fish Creatives, establishing a new business arm and managing end-to-end client delivery.
